EXPERIENCE & PROJECTS

Ready-Set-Bag! (Ongoing Capstone)

Project Manager & Lead Game Designer (Figma, Excalidraw)

- Directed the design and development of an interactive educational mobile game helping Grade 6 students build earthquake preparedness skills through immersive, game-based learning.
- Designed gameplay mechanics aligned with PHIVOLCS guidelines, incorporating realistic constraints such as time limits and carrying capacity to promote critical thinking and decision-making.
- Led the overall project pipeline, balancing educational objectives with engaging user experience design.

Piso Politiko (Tabletop & Hybrid Game)

Lead Game Designer (Figma, Excalidraw)

- Developed the game concept, design, and mechanics to deliver an immersive tabletop and hybrid gaming experience.

Shadow of the Past (Slasher Film Game)

Lead Game Designer (Figma, Excalidraw)

- Developed the game concept, narrative design, and mechanics to create an atmospheric and immersive horror game experience.

Buwaya Catch (Video Game)

Lead Game Designer (Figma, Excalidraw)

- Developed the game concept, design, and mechanics to deliver an engaging and enjoyable video game experience.

ValYOU (Web App)

Documentation Lead (Google Docs, Excel, Canva)

- Led the documentation process for an ARTA-compliant Customer Satisfaction Survey web application, ensuring accurate and organized records throughout development.
- Produced clear and structured process documents, supporting team alignment and compliance with ARTA standards.
